

## Emanuel Wilfer Basses

For these contrabasses only old, natural and seasoned European tone woods are used.

### Gamba Model

No. 10	Fully carved double bass, ribs, neck and back made of good maple and good spruce top; back and top arched. Tyrolean tuning machines (brass)	\$ 7,200.00
No. 11	This instrument is very similar to No. 10, but the back and ribs are lightly flamed.	\$ 7,800.00
No. 12	This double bass consists of flamed maple and selected spruce top that definitely meets high requirements.	\$ 9,300.00
No. 13	This concert instrument very carefully crafted by the master's hand, beautifully flamed maple back and sides and fine spruce top, which fully meets an artist's requirements.	\$ 11,100.00
No. 14	The master contrabass par excellence, crafted from the most precious wood to meet the highest standards; not to forget the loving and painstaking detail work that has such high significance in all our models.	\$ 13,500.00
